

BIRGIT BRAUNSTEIN

Welschriesling

Description:	Juicy, subtle and seductive
Recommendation:	This Welschriesling is a versatile white wine with good varietal character and an exceptionally fresh and fruity bouquet. Crisp acidity highlights the refreshing fruity flavours of citrus and apple on the palate. 7-9 °C (45-48 °F) is the ideal drinking temperature. Its light-footed character makes it an ideal accompaniment to light dishes like Italian antipasti or grilled goat cheese with arugula and pine nuts.
