

BIRGIT BRAUNSTEIN

St. Laurent Goldberg

Description:	Charming, seductive, elegant – a wine that excels through subtlety
Recommendation:	The St. Laurent Goldberg is elegant and charming with soft tannins. The cherry note is clear and fine. The complexity of this wine is best appreciated at a drinking temperature of 16-18 °C (60-64 °F). It is an ideal accompaniment to Carpaccio with olive oil and Parmesan or subtle beef or venison dishes, for example roe-deer in lingonberry sauce with hazelnut spaetzle.
