

BIRGIT BRAUNSTEIN

Brigid

Description:	Brigid is the Celtic goddess of light. Pure flinety minerality!
Recommendation:	Subtle notes of marzipan, menthol, graphite, lemon verbena, white flowers, and ground hazelnut. Fully ripe and vibrant with a taut mineral structure and long finish. Best drinking pleasure at 12 ° C (54 ° F), either on its own or in combination with baked cod or hake with pickled vegetables.
