

BIRGIT BRAUNSTEIN

## Chardonnay Felsenstein

Description: Elegant, mineral and full An elegant Chardonnay of great pedigree with fruit, body and finesse of character

Recommendation: The exotic bouquet reminiscent of pineapple combines with refreshing acidity and full body to make Chardonnay Felsenstein an ideal accompaniment to fish and light vegetable dishes. This Chardonnay shows its full potential in a large Burgundy glass at 8-10 °C and pairs wonderfully with Indian vegetable curry or rabbit stew with squash and raisin rice.
